

	GIS in Government	GISCO	PLSC	URISA	ASPRS	Technology Spotlight
9:30	Good morning and Welcome to Day 1 of GIS in the Rockies 2020!					
9:45	Announcements (Opening Remarks at 9:55)					
10:00	Keynote: Daryl Branson Colorado ESinet Migration Update					
10:30						
11:00	AM Break & Networking					
11:15	Sponsor Hour: Preparing Students for Careers in Geospatial Sciences Ken Driese, WyGISC 11:15-12:15					
12:15	Lunch Break					
1:00	Mapping Crashes in Boulder County Mack Johnson and Dave Watson	Detox Your GIS Data Stacen Gross	Quest to Find Hayden's 1873 Denver Baseline Patrick McGranaghan	Asset Management Workshop Phyllis Thomas	Buildings and 3D Modeling Srin Dharmapuri and Jason Caldwell	Centimeter GNSS with Laser Offsets for ArcGIS Collector Tyler Gakstatter, Anatum GeoMobile Solutions, LLC 1:00-1:30
1:30	Sidewalk Repairs - Going from Paper to Digital Charles Osterman	Real Time GIS: Lessons Learned from a DIY GeoEvent Implementation Arthur Smith	3D Reality Modeling for City Planning and Urban Design Del Stewart, Aerometrex 1:30-2:00	Moving Data Between GIS and Other Systems Holly Coxon	Got a Drone - Now What? Mapping with your UAV Jeffrey Hatzel, Blue Marble 1:30-2:00	Talk to the experts at... Anatum GeoMobile Solutions, LLC Virtual Exhibit Hall 1:30-2:00
2:00	Geospatial Skills Focus Group Ashley Summers 2:00-4:00	Identifying Climate Resilient Wildlands in Central Colorado Alison Gallensky	Talk to the experts at... Aerometrex Virtual Exhibit Hall 2:00-2:30	WyGISC Virtual Exhibit Hall 2:00-3:00	Integrating Visualizations of Spatial and Temporal Uncertainty Kate Carlson	Talk to the experts at... GISinc Virtual Exhibit Hall 2:00-2:30
2:30		Builder vs Builder: What You Need to Know About ArcGIS Experience Malaika Penn	Getting to Know Frontier Precision David Siddle, Frontier Precision 2:30-2:00		ASPRS Panel 2:30-3:30	Talk to the experts at... Ayes Associates Virtual Exhibit Hall 2:30-3:00
3:00		No Frills - Start to Use Lidar Data in Practical Applications Nick Viau	Talk to the experts at... Frontier Precision Virtual Exhibit Hall 3:00-3:30			Talk to the experts at... Blue Marble Virtual Exhibit Hall 3:00-3:30
3:30						Using Vision Based AI for Better Cities and Roads Justin Dantonio, Nexar 3:30-4:00
4:00						Talk to the experts at... Nexar Virtual Exhibit Hall 4:00-4:30

	GIS in Government	GISCO	PLSC	URISA	Technology Spotlight
9:45	Good morning and Welcome to Day 2 of GIS in the Rockies 2020!				
10:00		GISCO Panel 10:00-12:00	Quantum Spatial Virtual Exhibit Hall 10:00-11:00		How to Build Web App for Cemetery Management Using AGOL and Survey 123 Ruth McColly, FLO Analytics 10:00-10:30
10:30	National Digital Trails Network - Expanding Recreational Opportunities Greg Matthews				ArcGIS Enterprise, Hosted and Managed Cloud Strategies Steve Mulberry, GISinc 10:30-11:00
11:00	Automation Of Spatial Data Validation: NHDPlusHR, NGTOC, USGS Greg Cocks		Modernizing the National Spatial Reference System Brian Shaw	Mapping the Certified GIS Professionals (GISPs) in the U.S. Dapeng Li	Talk to the experts at... FLO Analytics Virtual Exhibit Hall 11:00-11:30
11:30	Update on DRCOG's Regional Data Projects Ashley Summers		PLSS Monument Database Development at Denver Water Neil Wagner	Real-Time Spatial Insights for Crime Management Vince A Rosales	Pedaling Towards Innovation, a.k.a Tour de GNSS Phil Ponce and Nikolas Smilovsky, Bad Elf 11:30-12:00
12:00	USGS National Digital Trails Project Tatyana DiMascio and Elizabeth McCartney		Overview of Colorado State Plane Coordinate System and NATRF2022 John Hunter	Risk + Resiliency: Emergency Response Planning for Water Utilities Caitlyn McNabb	Talk to the experts at... Bad Elf, Inc. Virtual Exhibit Hall 12:00-12:30
12:30	Sponsor Hour: What's New? Remote Sensing Innovations and Applications for Trees & Water Jason Nyberg, Quantum Spatial 12:30-1:30				
1:00					

	PLSC	ASPRS	URISA	GIS and Resources	Technology Spotlight
9:45	Good morning and Welcome to Day 3 of GIS in the Rockies 2020!				
10:00	Sponsor Hour: Nearmap 10:00-11:00				
10:30					
11:00	Panel of Professional Land Surveyors 11:00-1:00	Reflections on September 11, 2001 Impact on Geospatial Practitioners Jeffrey Young	URISA Panel 11:00-1:00		Modernizing the National Spatial Reference System Brian Soliday, 1Spatial 11:00-11:30
11:30		Post-Disaster Mapping Craig Gooding and Tyler Kaebisch, Ayres Associates 11:30-12:00		Converting Symbology from Esri ArcGIS to Adobe Illustrator Brendan Berve	Talk to the experts at... 1Spatial Inc. Virtual Exhibit Hall 11:30-12:00
12:00		Delivering GIS Education: University of Denver's Response to COVID-19 Kristopher Kuzera		Nearmap Virtual Exhibit Hall 12:00-1:00	Embracing the Digital Twin - Fueling Your Organization's Digital Transformation with GIS and Cityworks Matt Ponder, Cityworks 12:00-12:30
12:30		Dominica After Maria: Assessing Changes to Benthic Habitats Ryan Shields			Talk to the experts at... Cityworks Virtual Exhibit Hall 12:30-1:00
Thank you for attending GIS in the Rockies 2020!
