

7:30 - 9:00 AM	Breakfast - Daniels Great Hall			
8:45 AM	Welcoming Remarks - Malone Theater			
9:00 - 10:00 AM	Keynote: Jamie Jacobs, MS, NRP - Geospatial Journey of Discovery - Malone Theater			
9:00 AM - 5:00 PM	Poster Session Daniels Great Hall Mezzanine Vote for Your Favorites!			
10:00 - 11:00 AM	Sponsor & Exhibitor Showcase Daniels Great Hall			
PRESENTATION SESSIONS 11:00 AM - 12:30 PM	Hydrography Malone Theater	Modern Mapping; Exploring National Parks Bresnan Boardroom	Remote Sensing Saeman Briefing Room	Energy and Utilities Delaplaine Newsroom
11:00 AM	USGS Hydrography Specifications 2024 Ryan Teter	Breathing New Life into Old Maps and Data Kevin Worthington	Using Geospatial Techniques for Measuring, Reporting, and Verification (MRV) in the Agriculture Carbon Market Thomas Pudil	What are the differences between Utility GIS, other GIS's and CAD maps? James E Hargis
11:15 AM		Reforging a Custom Map Viewer in AGOL: the Bureau of Ocean Energy Management's New Marine Minerals Information System Michael Forlenza		
11:30 AM	Planned User Suggested Editing of Published U.S Geological Survey 3D Hydrography Program Datasets Greg Cocks	- Open Discussion and Q&A -	Geospatial Benchmarking of Inference Modeling at Scale for CPU and GPU Hardware Performance Assessment Robert Dzur	Combining UAS Imagery, Terrestrial Videography, and GIS to Streamline Oil & Gas Regulatory Compliance in Various EHS Aspects Pete Parker, Isabella Klajbor
11:45 AM		Where do people go in Arches National Park? Jeff Orłowski		
12:00 PM	Hydrographic Addressing to 3DHP Data with HydroAdd3d Michael Tinker	NPS GIS Internship Program Douglas Wilder	Monitoring Vegetation Impacts of Night Penning in Idaho and Oregon Grazing Allotments Using Remote Sensing Truman Anarella, Jack Hagenbuch	
12:15 PM	- Open Discussion and Q&A -	- Open Discussion and Q&A -		
12:30 - 1:30 PM	Lunch - Daniels Great Hall			
12:30 - 1:30 PM	Women in GIS Meetup Rogers Amphitheater			

PRESENTATION SESSIONS 1:30 PM - 3:00 PM	Collaboration and Community Engagement <i>Malone Theater</i>	Local GIS Solutions <i>Bresnan Boardroom</i>	Natural Resources and Conservation <i>Saeman Briefing Room</i>	USGS Workshop <i>ACA/Triax Room</i>
1:30 PM	If you build it, will they come? Upgrading Our GIS Platform for Improving Collaboration <i>Jackie Phipps Montes, Grant Smith</i>	GIS Glow Up: From Drab to Fab <i>Katie Evers, Keiko Flynn</i>	Reviewing the Status of Conservation Geo, a New Team Within the Natural Resources Conservation Service <i>Jerry Mohnhaupt</i>	Maps, Data, and Templates: A Workshop on USGS Topographic Mapping <i>Alex Kaufman, Tatyana Dismascio, Ella Ramage, Marcelle Caturia, Brendan Berve</i>
2:00 PM	On iPads and Atolls: Effective Community Engagement Strategy Leads to Digital Literacy and Use of Advanced Offline Technology <i>Sarah Godfrey</i>	Building MHFD Confluence: A Next-Gen Mapping Tool <i>Teddy Larkin, Katie Evers</i>	Colorado Water Plan: Within and Beyond Our Borders <i>Phyllis Thomas</i>	
2:15 PM	EnviroScreen 2.0: Updating Colorado's Environmental Justice Mapping Tool <i>Dan Carver</i>			
2:30 PM	Sustainability Hub - A Community Data Hub for Sustainable Regional Systems Research in Colorado <i>Ella Taylor, Elsa Gerster, Jessica Salo</i>	DRCOG's Denver Region Crash Data Dashboard <i>Greg Conant</i>	Mapping the Upper Colorado River: A Story of the Monitoring Effort using sUAS <i>Seth Legan</i>	
2:45 PM	- Open Discussion and Q&A -	Developing a Regional Traffic Crash Data Dashboard for the Pikes Peak Region <i>William Mast, Philip Roy</i>	- Open Discussion and Q&A -	
3:00 - 3:30 PM	Poster Showcase <i>Daniels Great Hall Mezzanine</i> Meet the Presenters and Cast Your Vote!			
3:00 - 3:30 PM	Afternoon Break - <i>Daniels Great Hall</i>			
PRESENTATION SESSIONS 3:30 PM - 5:15 PM	Emergency Management <i>Malone Theater</i>	Vendor Showcase <i>Bresnan Boardroom</i>	GIS Colorado Town Hall <i>Saeman Briefing Room</i>	
3:30 PM	DC Water Emergency Event Management System <i>Durmus Cesur</i>	The Right Way to Right-of-Way: Data Lifecycle Management Practices <i>Matt Hiland</i>	Interactive session for networking, knowledge sharing, and collaborative problem-solving focusing on the unique needs and goals of GIS practitioners in Colorado <i>GIS Colorado</i>	
4:00 PM	Critical Incident Mapping & Emergency Management for Schools <i>John Young, Brock Saylor</i>	ArcGIS Solutions: GIS Request Management <i>Brandi Rank</i>		
4:30 PM	Outsmarting Obsolescence: Extending an ArcGIS Solution Transforms 9-1-1 Address Data Management <i>Brady Hustad, Sam Como</i>	Migrating Web Apps to ArcGIS Instant Apps <i>Beth Romero</i>		
5:00 PM	ArcGIS Solutions: Emergency Management <i>Kendell Ryan</i>	- Open Discussion and Q&A -		
5:15 - 7:00 PM	GIS in the Rockies Social Event <i>Daniels Great Hall</i>
